Monday 20 July

First day of term 3

A word from Frank

The Support of the Entire Community

Strengthening partnerships and networks involving the school and all individuals is one of our key priorities. We are acutely aware of the benefits that strong social capital provides to students and their families. The school has recently actioned a number of initiatives to further engage parents and carers, and others in the wider community. First, we ensured that additional school staff received training in website maintenance. The end result is that our school website will always be filled with information that is useful, current, and comprehensive.

Second, the school is introducing the Skoolbag App. This School Mobile App provides schools with an easy way to tell parents and carers everything they need to know about school news, newsletters, events calendar, cancellations, school notices, school information, school timetables, parent sick note forms, school documents and much more. No more lost paper in school bags! The app is being personalised to BMS so further details and instructions will be provided as soon as it is complete. Further details on page 8.

Third, a MindMatters Action Team has been established at BMS and we are keen to maximise parental involvement. Details on page 7.

Black Mountain School Parent Facebook page

Black Mountain School (BMS) has an unofficial Facebook page which was set up by a former student's mother. Tracy Gorman, a parent of a current BMS student, is keen to get the page up and running again to encourage people to connect more with the school, each other, and the wider community. Tracy has also kindly offered to be the administrator of the page. Officially it is an 'unofficial' page as it is not set up by the school, however Tracy will liaise closely with Sarah Desmond, the school's Pastoral Care Coordinator, to ensure the most relevant and up-to-date information is being shared.

If you are on Facebook and would like to receive updates please like the page. We would love to see other individuals and organisations sharing relevant information, so please spread the word, promote the school and get people connecting. It is under construction so please be patient and any feedback would be greatly appreciated, send to sarah.desmond@ed.act.edu.au

NDIS and Work Experience

We have had confirmation from the NDIS that support for a student in Years 11 or 12 to participate in work experience can be included in an NDIS package.

The process to support work experience for a student with disability is managed by schools on the same basis as a student without disability. The school will have a role in sourcing a suitable work experience placement and is responsible for the administrative processes that need to occur in consultation with the central office WEX administrator.

Support for an National Disability Insurance Scheme (NDIS) eligible year 11 or 12 student to participate in a work experience environment can be considered a reasonable and necessary support by the National disability Insurance Agency (NDIA) and included in an NDIS package. Support for a student in Years 9 and 10 may be considered by the NDIA on a case by case basis.

Work experience needs to be reflected in a student's ILP. Support for a student who is not NDIS eligible is the responsibility of the school.

Water on Tap' at ACT public schools

As part of the *Investing in Healthy Kids Canberra initiative*, at least two water refill stations have been installed in all ACT public schools. Each student has been provided with a reusable water bottle to also reduce plastic waste. At BMS the two stations are located near the top playground and the BBQ area.

Australian of the Year Awards – worthy of your attention

Each year the Australian of the Year Awards recognise Australians worthy of attention. Who would you nominate for the Awards? Every year the Awards recognise 128 remarkable Australians across eight states and territories in four categories. You can nominate an Australian of the Year, Senior Australian of the Year (aged 65 and over), Young Australian of the Year (16 to 30) or an Australian Local Hero.

Throughout June and July, Canberrans are being encouraged to nominate someone they know or admire for the 2016 Australian of the Year Awards. If you know someone who inspires you through their achievements, or challenges those around them to make their own contribution to creating a better Australia, then nominate them today.

Winners of the ACT Awards will be announced on 2 November and will represent Canberra at the national awards held on the eve of Australia Day. The Nomination process is easy and it only takes one nomination to put someone you're proud of in the running. To get started visit www.australianoftheyear.org.au/nominate. Nominations close on 3 August 2015.

Saturday 23rd May, was a day full of sunshine and festivities at the annual **Pegasus Riding for the Disabled Open Day**.

The centre was brimming with people and children enjoying a range of food, craft and plant stalls, book sales, kid's activities, a jumping castle, face painting, a bush band, and much more. The BMS cake and activity stall was second only to the main feature of the day, the horses!

It was lovely to see all current and past BMS students stop by with families and carers to have a chat and play a game. Many other parents came to rest their legs from the busy festivities outside, while their children enjoyed some horse craft and colouring, and had a go at the blindfolded 'Put the Carrot in the Horse's Mouth', a new take on the old 'Pin the Tail on the Donkey'.

All proceeds raised on the day by BMS went towards Pegasus's major fundraising efforts to continue their horse-facilitated therapy sessions. Pegasus were delighted to have more than 1,800 people through their gates, and to find their fundraising was up approximately 30% from last year - an absolutely fantastic effort from everyone!

A massive thanks to families and BMS staff who helped to make the stall and day such a success through a multitude of ways such as organising, baking, and volunteering on the day. If you missed out on the day, but would like to donate to Pegasus please go to: <http://www.pegasusact.com.au/>

All of the staff and volunteers at Pegasus do an amazing job working with our young people at their weekly 'Horsing Around' work skills program, and providing post-school opportunities. Expressions of Interest for Semester 2's 'Horsing Around' program will be coming home shortly. Stay tuned for further information, or if you have any other queries, please don't hesitate to contact Kate Taylor.
kathryn.taylor@ed.act.edu.au

ROOM 22 MAKEOVER

Amid much hype and anticipation, the completion of the new and improved Room 22 has finally taken place and the boys have moved into their new class at the beginning of Term Two this year.

Construction for this state of the art room has taken place throughout 2014, with the tradies quickly being welcomed into our Black Mountain family and enjoying their time here as a result. The construction of the room involved major modifications as a ceiling hoist was installed to allow students maximum opportunities for movement and a completely new layout was also required.

The hard work has been well worth the effort, as the new classroom proudly boasts heaps of storage space, a brand new kitchen, a beautiful change facility and plenty of room for learning experiences for years to come.

While being temporarily positioned in the schools Resource Centre for quite some time, the lovely students and amazing staff have moved into their new room and are greatly enjoying their new space. We would like to thank everyone in the Black Mountain community for their patience, understanding and support while this transformation has taken place over the last 2 years.

I know students and staff will be enjoying our new classroom for years to come.

WOULD YOU LIKE TO BE INVOLVED IN AN ACTION TEAM? Please let me (Sarah) know ASAP. We need parent involvement so ALL voices and views are heard! sarah.desmond@ed.act.edu.au or 6205 6377

A HUGE THANK YOU to all those who completed the MindMatters surveys! This data will help us implement strategies to make meaningful improvements around the school!

MENTAL HEALTH AND SCHOOL SUCCESS

The mental health of students affects all aspects of the school community – from student engagement and academic achievement, to social adjustment and staff morale. Schools that promote a positive environment perform better, attract and retain more students and build a strong reputation in the community. The mental health of all students is a key foundation for school success.

WHAT IS MINDMATTERS?

MindMatters is a mental health initiative for secondary schools that aims to improve the mental health and wellbeing of young people. We call it a 'framework', in that it provides structure, guidance and support while enabling schools to build their own mental health strategy to suit their unique circumstances. MindMatters provides school staff with blended professional learning that includes online resources, face-to-face events, webinars and support. All content has been informed by strong evidence in the area of school mental health and wellbeing. The use of MindMatters' comprehensive resources has mental health benefits for the entire school community – including students, families and school staff.

HOW DOES IT WORK?

MindMatters is based on the principle that the best mental health strategy is one that prevents issues from arising in the first place. For this reason MindMatters helps schools promote positive mental health through the whole school community, and aims to prevent mental health difficulties in students by taking steps to improve relationships and resilience. MindMatters provides staff with practical advice and guidance so that they can support students who may be struggling with mental health difficulties in a timely and appropriate way. Promotion, prevention and early intervention are central tenets of the MindMatters' approach.

A COMPLETE FRAMEWORK

The MindMatters mental health framework is built around four key components:

- C1 Positive school community**
- C2 Student skills for resilience**
- C3 Parents and families**
- C4 Support for students experiencing mental health difficulties**

For more information, please visit the website: <http://www.mindmatters.edu.au>

Skoolbag is a mobile app that communicates directly to parent smartphones. It provides access to key school information via one single Communication Centre for both parents and students.

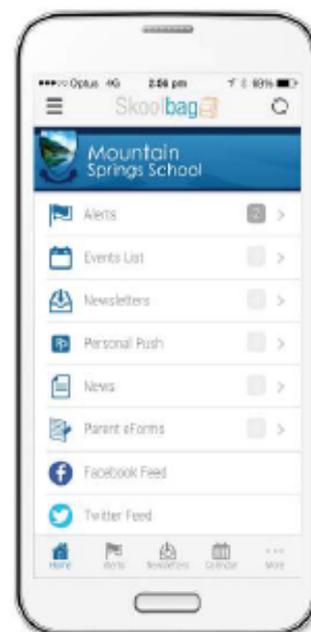

Ideal for:

- > School free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

Australia's Number 1 School App!

What is Skoolbag?

- > Skoolbag is the ultimate school to parent communication tool. It provides schools with an easy way to tell parents/carers everything they need to know, and it provides parents with the most convenient way to receive school notifications. No more lost paper in school bags!
- > Skoolbag is a great alternative to School SMS Alerts, and is much more flexible with the type of communication parents need.
- > School newsletters, school notices, school alerts, school permission notes and other documents are communicated directly to parents smartphones via the Skoolbag App.
- > It's also perfect for consolidating your school Twitter, Facebook, Wiki, and other RSS feeds, making one easy single point for parent communication.
- > Skoolbag is an iPhone, Android and Windows based school communication app that delivers school notices and information direct to parents mobile phones.
- > Students can also use the Skoolbag app to access school information about event dates, cancellations, school requirements, newsletters, timetables, equipment requirements, etc.

How does it work?

Once a school has registered with Skoolbag, we will configure their app. This process happens very quickly, and the school is then able to create their content categories and upload their notifications and/or documents.

After that, parents add the app to their phone and can view the schools documents and notifications.

Take a 30 Day FREE Trial!

On Tuesday 23rd June at 1:30pm Black Mountain School (BMS) will be gathering in the school gym for a talent show. Students have started creating and practicing performances and a final list of performances will be available closer to the time. ALL BMS classes, family and community members are invited to join in.

What: **BMS's Got Talent**

When: **Tuesday 23rd June at 1:30pm**

Where: **BMS gym**

Who: **EVERYONE** is welcome :)

Canberra Public Schools web portal

On Wednesday 27th May the Minister launched the Canberra Public Schools web portal; a sub-page of the Education and Training Directorate's website. <http://www.det.act.gov.au/canberra-public-schools>

This webpage is a 'one-stop shop' for the community to find information specifically about Canberra public schools. It places the most frequently accessed information regarding public schools in one location.

The webpage was designed in response to feedback from parents, carers and our staff. In addition to this webpage, a number of marketing and communications activities have been implemented based on the findings of this initial research, including a coordinated series of branding and awareness activities for Public Education Week 2015 (comprising display booths at 7 major shopping centres and a large wall banner in the Canberra Centre).

These initiatives help promote public education as the system of choice for parents and carers, students and teachers in the ACT. We aim to build community confidence in our schools and spread pride in Canberra public education. This initiative links to the Directorate's 2015 Action Plan: *Families as Partners: Develop marketing support, advice and resources for schools*. Through working to better promote public schools in the ACT we aim to spread the accurate perception that Canberra public schools are affordable and good value, inclusive and diverse, local and community focused, provide an excellent education, and are progressive.

The *Canberra Public Schools* webpage has a fresh look and feel, and contains important information, feature articles and useful links for parents and carers. It also has a search engine to search for schools by geographic area, and details on curriculum, programs and student enrolment. The page also links to useful information including school websites, holiday and school term information, ACTION Buses and SunSmart. The *Canberra Public Schools* webpage is linked to the '[Parents and Students at the Centre](#)', '[Trending #successtories](#)', and '[Public School Alumni](#)' pages, which contain features about the achievements our schools, teachers, principals, alumni and students.

I encourage you to explore the new webpage, and share it with your school communities. All school staff play a vital role in sharing our success stories and developing links with the Canberra community. This is an important part of our work. Canberra public schools are fantastic as you know and deserve to have their successes shared.

The web portal will be updated regularly, so please do not hesitate to let the Media and Communications team know if you have any feedback or suggestions for feature articles. The webpage can be accessed here: <http://www.det.act.gov.au/canberra-public-schools>

Hands On Holiday Sessions

Hands On Studio are offering holiday sessions from **June 23rd to July 16th**. If you are interested in attending sessions please book in with Sarah on 0406 378 613 or email to sarah.hutchinson@catholiccare.cg.org.au

Where?

Hands On Studio, 21 Blaxland Cres, Griffith, ACT

Times?

9.30am to 12.00pm

Dates?

Tuesday - June 23rd, 30th July 7th, 14th

Wednesday - June 24th July 1st, 8th, 15th

Thursday - June 25th July 2nd, 9th, 16th

Cost?

\$35 per session

Please feel free to visit us at the studio to see what we are up to!

As we approach the end of the term 2 we have spaces for new artists to join the Hands On Studio community.

We have places available in the following term classes;

Wednesday 9:30am to 12:00 noon

Thursday 9:30am to 12:00 noon

Contact Sarah on 0406 378 613 or email to sarah.hutchinson@catholiccare.cg.org.au

NDIS Registered Provider # 24450728

Hands On Studio provides access to professional art classes for adult with an intellectual disability. Hands On is situated within the M16 studio and gallery complex a creative and inclusive art space, providing access to the art community of Canberra. Students are encouraged to view their art practice in a professional manner and regularly contribute art work to high quality exhibitions around Canberra. These exhibitions provide students with an opportunity to showcase and sell their work.

Phone: 6251 6444 or

Email: canberra.recreation@northcott.com.au

2015 Planning Future Pathways Expo INVITATION

Planning for life after school is an exciting and challenging time. There are many decisions that need to be made about the future. This can be challenging but planning ahead will help. Visit the Planning Future Pathways Expo for guidance from a wide range of friendly exhibitors.

Run in conjunction with the CareersXpo, the Planning Future Pathways Expo provides students, their families, carers and teachers with appropriate and timely information on issues related to post school life, future planning and disability services.

The Expo provides advice on services and pathways available including but not limited to planning of career pathways, employability skills, further education and training, volunteering, recreation, community participation, life skills and information. There will be hands on activities for attendants including *Try'aSkill* demonstrations, stall holder exhibits, information sessions and guest presenters.

Event Details

Date: Wednesday 29 July 2015

Time: 9:30am – 2:30pm

4:30pm – 7:00pm

Venue: Conference Centre, Exhibition Park in Canberra (EPIC)

More info: careers@act.gov.au or 6205 7920

Proudly supported by:

ACT
Government
Education and Training

30 July 9:30am – 2:30pm

For more information please contact careers@act.gov.au or 6205 7920.

Flexible Respite with Northcott

Northcott is currently offering Flexible Respite for people with disability and their carers in the ACT

What is Flexible Respite?

Our Flexible Respite service is available to people with a disability in the ACT who don't yet have an NDIS plan. (*See full criteria at right)

Through this service, people will have the opportunity to engage in a variety of activities and experiences which they can choose, enjoy and learn from.

During respite, activities include being supported to:

- Participate in learning opportunities to develop independent living skills eg. Cooking
- Access community activities eg. going swimming or to the cinema
- Attend recreation events and entertainment venues

Other outcomes or benefits include:

- Opportunities for developing enduring relationships/friendships and broader social networks.
- Providing family or carers with a break from caring during this time.

Northcott's service is fully person-centred and based on a direct response to the participant's needs and goals. The team will assist with:

- Deciding what support is best for you
- Working out how you will access and purchase your support
- Managing your budget and processing payments.

*Who can access Flexible Respite?

Northcott's Flexible Respite service is for people with disability who:

- Live in the ACT
- Will transition to the NDIS
- Are aged 12-64 years

People who are already receiving NDIS funding or are in the age group currently eligible to access the NDIS are not able to use the service.

Participants can only use the service prior to their transition to the NDIS, for up to 12 months.

Need further information?

Please contact:
Laura Lehany
Facilitator, Individualised Funding

Belconnen Office
6/80 Emu Bank, Belconnen, ACT 2617
(02) 6251 6444
laura.lehany@northcott.com.au

Canberra Ski Camp 2015

Thursday 16th July – Saturday 18th July

Northcott Recreation is looking for referrals for 12-17year olds with low to moderate support needs to attend Ski Camp 2015.

You will participate in ski lessons, have fun in the snow, and take a possible trip to Mount Kosciusko for afternoon tea - all while making new friends!

Please contact us to talk about how you can use your flexible respite, NDIS or other sources of funding to pay for activities.

*For more information please contact
Cindy Seaman or Jodie Wilkins:*

Local services available in Canberra

Complimentary NDIS Preparation Sessions

Our friendly staff can help you prepare for your NDIS planning appointment in a one-to-one meeting where you can ask questions, meet our staff and learn more about our range of therapy services and lifestyle support programs.

Early Childhood Intervention Services

We provide specially designed educational and therapy programs for babies, toddlers and children with a range of diagnoses including cerebral palsy, developmental delay, intellectual disability, Downs syndrome, autism, brain and spinal injury, and other physical disabilities.

At Cerebral Palsy Alliance we partner with you to develop an individual learning plan for your child, offering individual and group programs in the setting that best suits your family. This could be your home, childcare centre, preschool or school.

Physiotherapy

We are focused on your health and well-being and will work with you to achieve your goals as effectively as possible. We are dedicated to person-centred, evidence informed therapy that delivers the best outcome for you.

Speech Pathology

Our Speech Pathologists are experts in assessing and addressing challenges with speech, language, communication, eating, drinking and swallowing. This may include identification and support with the implementation of appropriate technology.

Occupational Therapy

Occupational Therapists at Cerebral Palsy Alliance are experts in supporting people with addressing challenges with their independence and activities of daily living.

Physical Wellbeing Services

Physical wellbeing involves exercising, good nutrition and making healthy lifestyle choices. Getting active is an important part of incorporating wellbeing into your daily routine. At Cerebral Palsy Alliance we have a team of exercise physiologists and physiotherapists who can assist you through a variety of programs aimed at optimising your physical wellbeing. Ask our staff about our individualised gym, sporting and hydrotherapy programs.

WHERE ARE WE?

Scullin Centre

Hydrotherapy and Water Exercise

Cerebral Palsy Alliance provides hydrotherapy support for people living with disabilities. Our team can develop an individualised program for you which can be held at a pool near your home.

Exercise Physiology and Gymnasium

Exercise physiologists at Cerebral Palsy Alliance work with teenagers and adults, their families and carers to maintain and improve health and fitness for functional tasks, as well as maintaining a healthy lifestyle. Through this service we can support you to access our on-site gym or your local gym.

Psychology

Psychologists at Cerebral Palsy Alliance are highly experienced in supporting people with their learning, emotional and behavioural needs. We work with you to develop a plan tailored to your circumstances and individual goals.

Social Work and Counselling

Social workers at Cerebral Palsy Alliance are experts in offering emotional and practical support to people living with disabilities and their families.

Customised Seating and Equipment Modification

Cerebral Palsy Alliances provides locally a specialised service for people living with a disability who have complex technology, seating and/or mobility needs. Here in Canberra we have a purpose built workshop where our technicians can customise an appropriate solution for you working with one of our therapists or a therapist of your choice.

Specialist Clinics

Here in the ACT we are able to facilitate your access to additional specialist services clinics, provide assessment advice and prescription, for example orthotics and bicycle clinics.

Your Home and Your Lifestyle Supports

Cerebral Palsy Alliance has been supporting people with cerebral palsy and other physical disabilities in a variety of existing accommodation settings for over fifty years. Here in the ACT we are interested in hearing from you, your carer or family to discuss your home and lifestyle support needs around your proposed or existing accommodation setting.

Please contact us to organise a complimentary NDIS pre planning session to discuss how we could work with you to provide your service.

For more information about services provided by
Cerebral Palsy Alliance go to: cerebralpalsy.org.au
Phone us on: 02 6199 0600
Or email us: info@cerebralpalsy.org.au

JFA Purple Orange email alert

Employment Outcomes

The Federal Government wants to get more people living with disability into jobs.

To help reach this goal they are reviewing the disability employment system and developing a National Disability Employment Framework to increase employment rates for people living with disability.

JFA Purple Orange is preparing a submission for government and we want to hear your views on improving employment outcomes for people living with disability.

Your responses will be collated and sent to the Federal Government as part of their consultation process.

There are different ways you can participate in the consultation:

- [Take our online survey](#) before Friday 19 June 2015.
- Come to our forum on Thursday 18 June from 5:30pm-6:30pm at JFA Purple Orange, 104 Greenhill Road, Unley SA. [RSVP to attend via Eventbrite](#)
- We can take your views over the phone or by email. Call us on (08) 8373 8333 or email admin@purpleorange.org.au

The Federal Government is also holding consultations around Australia. Details are [available on the Department of Social Services website](#).

Expression of interest

“Introduction to Transition to Work (TTW)”

Transition to work is holding a 6-12 week taster program at 93 Uriarra Rd Queanbeyan. During second & third term you can get a ‘taste’ of what TTW offers when you leave school and participate in some fun activities.

DSA TTW Queanbeyan

Sessions from 23rd June 2015:

Tuesday (or other days by arrangement)

9:00am – 11:00am

Content Includes:

Getting to know you
Team building
Social skills
The community and you

Identifying short & long term goals
The right job for me
Introduction to the work place
How to get a job & creating a resume
